

Financial Services and Credit Guide Part 1

1 July 2021
Version 20

Paragem

A guide to our relationship with you and others

This Financial Services and Credit Guide (“Guide”) is intended to inform you of certain basic matters relating to our relationship, prior to us providing you with a financial or credit service.

This Guide contains important information about:

- who we are;
- how we can be contacted;
- what services we are authorised to provide to you;
- how we (and any other relevant parties) are remunerated;
- details of any potential conflicts of interest; and
- details of our internal and external complaint procedures, along with how you can access them.
- Privacy (i.e. collection and handling of your personal information)

It is designed to assist you in deciding whether or not to use any of the services offered in the Guide and also contains information about remuneration paid in relation to the services offered together with information on what to do if you have a complaint about our services.

Our aim is to make you feel totally at ease with the services we offer. In doing so we are providing you with this easy-to-understand Guide, designed to help you understand the financial and credit services we are able to provide and also to answer frequently asked questions. If you would like more information or clarification, please don't hesitate to contact your adviser.

The financial and credit services that you receive from Paragem are provided by our Authorised Representatives (advisers). Information about your adviser, including the services that can be provided, the costs to you for those services and the representative's remuneration, is included in **Part 2** of the Guide.

This document is Part 1 of our Guide and should be read in conjunction with 'Part 2 – Authorised Representative Profile', which will be given to you with this Guide. The two parts make up the Guide and the distribution of them has been approved by Paragem Pty Ltd

If we give you personal financial advice we will provide you with a Statement of Advice. To make sure that advice is appropriate to you we must make reasonable enquiries about your current financial situation and future needs.

In the Statement of Advice we will tell you about:

- our fees and commissions
- any associations we have with Financial Product Issuers or other parties which may have influenced the advice we give you.

If we provide further personal advice to you after we have issued an initial Statement of Advice and your circumstances have not significantly changed, we may provide the advice to you orally. We will also tell you about any fees or commissions and any associations with Financial Product Issuers or others who may have influenced that advice. We will record these details in a Record of Advice and keep this for seven years after providing the advice to you and you can request a copy of that Record from your adviser.

If we recommend to you a particular Financial Product we will give you information about the particular Financial Product – a Product Disclosure Statement – to help you make an informed decision about the Financial Product.

Why we are not Independent

Paragem is part of Easton Investments Limited (Easton Wealth) group of companies. Due to Paragem's receipt of insurance commissions, where insurance policies are placed with various insurance companies and due to HUB24 Limited (a provider of investment administration platform and technology services) being a material shareholder of Easton Wealth, Paragem Pty Ltd is restricted from referring to ourselves as independent, impartial or unbiased.

If credit services are to be provided, we and our representatives must provide you with credit assistance that is not unsuitable for your financial situations and objectives. To do this a preliminary assessment must be conducted. For our representative to conduct this assessment they must collect information about your financial situation and the objectives you have for seeking credit. If you do not provide the requested information we may not be able to provide any credit assistance to you.

You can request a copy of the preliminary assessment conducted by our representative within 7 years of the date that the written quote was provided to you for credit assistance. If you make the request within 2 years of the written quotation we will provide the copy of the assessment within 7 business days. If the request is made after 2 years but before the end of 7 years we will provide the copy within 21 business days. If you make the request after 7 years have past we are not obligated to retain a copy and may not be able to provide it to you.

You may pay a fee for a service, and we may also receive commissions from product issuers, if you engage us to provide advice, implement our recommendations or act on your instructions. Advice Fees

We are predominantly a Fee for Service organisation. There are set fees for each service that I provide to you, and these fees will be agreed upon and confirmed to you prior to any service being provided. Current fees and charges are detailed below and are GST inclusive:

Strategy Specific Advice Fees

Where we provide Strategy Specific advice (for example we only review your super fund or your insurance), we will charge a Strategy Specific Advice Fee which will range from \$1,100 - \$4,400. There may be times where the fees are higher than this due to complexity of the service you need. The actual fees payable by you will be set out in an Engagement Agreement and will be payable in accordance with that agreement once you have agreed to the service and executed the document.

Wealth Mentor Service - Ongoing Strategic Financial Advice

This is our comprehensive advice service, which involves reviewing multiple financial planning strategies. This service fee ranges from \$4,400 - \$24,000 p.a and will depend on the complexity of the service you need. There may be times where the fees are higher than this due to complexity of the services you need. The actual fees payable by you will be set out in an Engagement Agreement and will be payable in accordance with that agreement once you have agreed to the service and executed the document.

Wealth Manager Service

If we manage investments for you, our Wealth Manager Service Fee ranges from 0.55% - 0.88% of funds under advice. For example, if we manage \$100,000 of investments for you, and our Wealth Manager Fee was 0.88%, then our Wealth Manager Fee would be \$880 p.a. The actual fee payable by you will be set out Statement of Advice and will be payable in accordance with that document once you have agreed to the service and executed the document.

Commissions

Insurance Products

Commissions can be received for life insurance products with the exception of life insurance implemented after 1 July 2014 for a member in a default superannuation or a group life policy in a superannuation fund.

There will be a 100% clawback of commission where the life insurance policy is cancelled, not continued or the policy cost is reduced in the first year and 60% clawback of commission in the second year.

If you choose to pay fee for service, we can rebate to you part or all of the commission we would otherwise receive for insurance arrangements.

In the interests of transparency, please understand that we will receive an upfront commission from the product issuer if you decide to buy a life risk insurance product, we recommend to you. Commissions, whether up-front or ongoing, are paid to us by the Insurer.

We will receive an upfront commission of between 0% and 66% of the first year's annual premium, and then an annual ongoing commission of between 0% and 22% of the annual premium.

For example, for an insurance product with an annual premium of \$2,000, where the issuer pays me an upfront commission of 66%, I will receive \$1,320. The issuer will pay me 22% of the annual premium as ongoing commission for as long as you hold the product. Assuming an annual premium of \$2,000, this equates to \$440 per year.
